Aarav Kumar

AGE 20

EDUCATION B.Des/VISCOM

LOCATION Chennai

TECH LITERATE High

> “If an app makes me think too much, I’ll probably stop using it.”

Personality

Creative · Thinker · Detail Oriented · Tech-savvy

Bio

Aarav is a young product designer who spends most of his day between Figma, social media, and productivity apps. He enjoys discovering new design trends, exploring cafés, listening to music, and finding tools that make his work and daily life easier.

Core needs

- Fast and intuitive digital experiences
- Seamless experiences across phone and laptop
- Affordable subscriptions

Frustrations

- Complicated onboarding
- Slow-loading apps
- Apps asking for unnecessary permissions
